PROFESSIONAL EXPERIENCE

The Conner Group | Consulting Services – *Austin, TX* Lead Consultant, Digital Transformation & Growth, 01/2021 – 03/2023

- Directed application of data-driven consulting methodologies, integrating financial reports, business goals, and deep market research to develop end-to-end strategies for clients, ensuring alignment with market trends and growth.
- Leveraged market forecasting models and industry insights to deliver actionable business plans for startup and established businesses alike.

Key clients:

- Led business development and corporate communications efforts for **biotech startup Core-DX** (core-dx.com), establishing foundational strategies.
- Spearheaded marketing initiatives for customer acquisition at **insurance startup NDAMember** (ndamember.com), achieving measurable increases in customer base through targeted campaigns and strategic outreach.
- Provided strategic marketing advisory services to **TMV Business Group** (tmvbusinessgroup.com), driving acquisition through innovative approaches.
- Orchestrated omni-channel, full-funnel strategies for **Equi** that generated \$10M in new business, monitored crucial KPIs for continuous optimization, and conducted detailed market research to develop tailored campaigns and segmentation models, enhancing demand generation and accelerating company growth.
- Led development of new marketing team at One Drop, crafting omni-channel campaigns and ABM strategies that boosted qualified opportunities by 27%.
 Conducted branding workshops to refine market positioning and implemented new reporting systems that aligned sales and marketing, enhancing ROAS and forecasting accuracy.

Arthur J. Gallagher & Co, – Rolling Meadows, IL Regional Marketing Director, 06/2017 – 12/2020

- Directed end-to-end marketing strategy and execution for three regional sales presidents, driving business growth through alignment with sales objectives.
- Played key role in Mergers & Acquisition group, leading omni-channel marketing
 efforts to prospect new agencies for acquisition and spearheading post-M&A
 brand integration to ensure seamless transitions and brand consistency.
- Collaborated with Corporate and Regional leadership to activate high-impact marketing partnerships with Chicago Cubs and San Diego Padres, enhancing brand visibility and engagement in key markets.

United Airlines – *Chicago, IL* Manager, eCommerce - SEO, 12/2015 – 05/2017

- Led SEO practice, achieving 3% increase in revenue (\$60MM) from organic search traffic on united.com over 16 months through strategic optimization efforts.
- Played key role in United App redesign and Polaris brand launch, contributing to enhanced user experience and brand positioning that drove business impact.
- Spearheaded market "recapture initiative" by partnering with SaaS platforms and technology partners, resulting in creation of over 10,000 new product landing pages in 7 languages, generating \$35MM in new revenue in first two years and additional \$3.5MM in incremental year-over-year revenue.

ADDITIONAL WORK EXPERIENCE

Additional five years in digital marketing and professional sports.

Achievements include optimizing digital marketing strategies for B2B brokerage partners at CME Group, leading to successful launch of new social media channels for Futures and Options education, and ensuring compliance with financial sector regulations. Managed agency relationships for digital and paid search channels, while conducting technical SEO audits to enhance website performance. Additionally, built and grew personal brand as professional golfer, securing sponsorships and competing in high-pressure tournaments, including PGA qualifiers and U.S. Open events.
